Excess – the first part of any claim which you have to pay.

These sections are printed in a red colour on a pale-red background and draw your attention to what is not covered by your policy.

How we settle claims

You must tell us if the buildings and contents sums insured are not high enough. If not, you may find that you do not have enough cover and we will not pay the full value of your claim.

We will decide how to settle your claim. We will normally arrange for one of our suppliers to repair, reinstate or replace the lost or damaged property. In some instances, we may decide to pay a cash amount for the loss or damage. We will not pay more than our suppliers would have charged. We will deduct the appropriate excess from all claims payments we make.

Claims retention

Where we agree to pay your claim and the settlement amount is in excess of €2,000 we reserve the right to withhold up to a maximum of 25% of the final payment until the re-instatement works are completed and validated through the submission of a final invoice and (where necessary) a final inspection of the works is completed by AXA.

Where the retention amount remains unclaimed after a period of 4 months from the date of the settlement we undertake to write to remind you of the unclaimed retention and AXA's requirements to release this payment. If we do not hear back from you within 10 working days we will issue a final reminder to you. Where we do not receive a response to our final reminder within 10 working days, AXA will close the claim file.

Matching sets and suites

We treat one item of a matching set of items or suite of furniture or sanitaryware or other bathroom fittings as a single item. We will pay you for individual damaged items but not for the other undamaged pieces. However, we will pay for replacing undamaged parts of a bathroom suite if we cannot find replacements to the damaged parts.

Will we take off an amount for wear and tear?

Buildings

If we carry out a repair or reinstatement, we will not take off an amount for wear and tear as long as the sum insured represents the full reinstatement value of the building and you have kept the building in good condition.

The full reinstatement value is not necessarily the value you would get if you sold the property (market value).

Contents

We will take off an amount for:

- clothes, furs, household linen;
- TV sets, DVD players, camcorders, videos, record players, compact disc players, ipods, video recorders, home computers, lap top computers, game consoles and similar equipment including CDs, tapes, records and software over one year old; or
- carpets over five years old.

We will not take off an amount for wear and tear for all your other contents as long as the sum insured represents their full value as new at the time of loss and you have kept them in good condition.

Other insurance policies

If any injury, loss or damage is covered by any other insurance, we will not pay more than our share. This does not apply to subsection 20 of section B (Contents) or section I (Personal accident).

No-claims discount

Before you make a small claim, remember you could lose your no-claims discount. Please call us if you have any questions.

Here to help

For the purpose of working out the no-claims discount, a period of insurance is one continuous year between the beginning of the policy and the renewal date shown in your schedule or between consecutive renewal dates.

If you have consecutive periods of insurance with us without any incident which may give rise to a claim, we will reduce your premium when you renew the policy in line with our discount scale that applies at the renewal date. We will give you details if you need them.

If during a period of insurance incidents happen giving rise to claims under the policy, we will reduce the no-claims discount to 0%.

If we agree to transfer the interest of the policy to someone else, we will not transfer any no-claims discount earned.

Inflation protection

Buildings

To help protect you against inflation, we will adjust the sum insured under the buildings section each month, in line with an appropriate index* we have chosen, and each year when you renew the policy we will increase the sum insured in line with that index.

*Society of Chartered Surveyors, CSO, Dept of Environment.

Contents and personal possessions

To help protect you against inflation, we will amend the sum insured under the contents section each month, in line with an appropriate index* we have chosen, and each year when you renew the policy, we will increase the sum insured in line with that index.

*Consumer Price Index.

Here to help

The following applies to buildings, contents and personal possessions.

- If an index falls, we will keep the sums insured and monetary limits at the same level.
- We do not charge for this inflation protection at the time of the monthly increase but when you next renew your policy we will adjust your sums insured as a result.
- Inflation protection will not apply to the monetary limits.
- During the period of repair, after we carry out a repair or replacement for loss or damage to the building, we will continue to protect the sum insured against inflation as long as:
 - a you take reasonable steps to make sure that the repair or replacement is carried out immediately; and
 - b the sum insured at the time of the loss or damage represents the full value.

Although you have the benefits of inflation protection, you should not rely on this alone to keep the building sum insured at the correct level. The replacement cost of your building or contents may be growing faster than inflation – perhaps because of a new extension or new items you have bought. It is a policy condition to insure for the correct amount – see page 17.

What is not covered

General exclusions

These exclusions apply to the whole policy.

1 Sonic bangs

We will not pay for loss or damage caused by pressure waves from aircraft and other flying objects travelling at or above the speed of sound.

2 Radioactive contamination

We will not pay for any loss, damage or legal liability directly or indirectly caused by or contributed to by or arising from:

- a ionising radiation or contamination by radioactivity from any nuclear fuel or from any nuclear waste from burning nuclear fuel; or
- b the radioactive, toxic, explosive or other dangerous properties of any explosive nuclear machinery or any part of it.

3 War and terrorism exclusion

Despite any other condition in this insurance or any endorsement that may apply, we will not be liable for loss, damage, cost or expense directly or indirectly caused by, resulting from or in connection with any of the following.

- a War, riot, revolution or any similar event.
- b Any government, public or local authority legally taking or destroying your property.
- c Any act of terrorism.

We define an act of terrorism as an act which may include using or threatening force or violence by any person or group, whether acting alone or in connection with any organisation or government committed for political, religious, ideological or other purposes. This includes the intention to influence any government or to put the public or any section of the public in fear.

This exclusion also does not cover liability, loss, damage, costs or expense resulting from any action taken to control or prevent a, b or c above.

If we say that we will not cover a claim for these reasons, you must prove otherwise if you want us to pay a claim.

If any part of this exclusion is not valid or cannot be enforced, the other parts will still be effective.

4 Excess

We will not pay the first €350 of any claim (unless otherwise shown in the policy or schedule).

Claims for water escaping from or frost damage to a fixed water drainage or heating installation, washing machine, dish washer, fridge freezer, waterbed or fish tank are subject to a €500 excess.

Claims for subsidence, landslip or ground heave are subject to an excess of €5,000.

5 Date change exclusion

We will not pay for any loss of or damage to any computer equipment, software or microchip-controlled electrical appliance you own or control, or for any data lost from any computer, software, database or similar equipment, caused by or arising from that equipment failing to treat any calendar date as the correct date.

6 Risks to computers

This policy does not apply to liability, loss, damage, costs or expense directly or indirectly caused by or in connection with:

- a the loss or alteration of or damage to; or
- b a reduction in how a system works of
a computer system, hardware programme, software, data-information store, microchip, integrated circuit or similar device in computer equipment or non-computer equipment that results from deliberately or negligently transferring (electronic or otherwise) a computer programme that contains any damaging code including computer viruses, worms, logic bombs, or trojan horses.

7 Wear and Tear

Your policy is intended to cover you against unforeseen events like fire or theft. It does not cover wear and tear or damage that occurs gradually over time.

Conditions which apply to the whole policy

Here to help

You must keep to the following conditions to have the full protection of your policy.

1 Changes that may affect your insurance

You must tell us immediately if there are any changes that may affect your insurance. Such changes include, but are not limited to, the following:

- You change your address where you normally live
 - You are structurally altering the home or building an extension, re-roofing or carrying out any major repair work
 - The home is used for business or as a holiday home
 - Your building becomes unoccupied or does not contain enough furniture for normal living purposes
 - Your home is let to tenants or shared with lodgers
 - You have been declared bankrupt
- You have been convicted of any indictable criminal offence, any offence involving dishonesty or fraud, or any offence against property
 - You have any pending prosecution for any of the offences listed above

We may reassess your cover and premium either immediately or at your next renewal date depending on the information you provide.

If you are unsure whether a change will affect your cover you should contact us

2 Taking care of your property

You must take all reasonable precautions to avoid injury, loss or damage and take all reasonable steps to protect your property from loss or damage. You must keep all your property in good condition.

3 Fraud

You must not act in a fraudulent way. If you or anyone acting for you:

- fails to reveal or hides a fact likely to influence whether we accept your proposal, your renewal, or any adjustment to your policy;
- fails to reveal or hides a fact likely to influence the cover we provide;
- makes a statement to us or anyone acting on our behalf, knowing the statement to be false;

- sends us or anyone acting on our behalf a document, knowing the document to be forged or false;
- makes a claim under the policy, knowing the claim to be false or fraudulent in any way; or
- makes a claim for any loss or damage you caused deliberately or with your knowledge.

The action we can take on top of our other rights are listed below.

- We will not pay a claim.
- We will not pay any other claim which has been or will be made under the policy.
- We may declare the policy void. (In other words, it will end without you receiving any benefit.)
- We will be entitled to recover from you the amount of any claim we have already paid under the policy.
- We will not return your premium.
- We may let the appropriate law enforcement authority know about the circumstances.

4 Claims

a Reporting a claim

- 1 You or your personal representatives must immediately report any incident which may lead to a claim under the policy. You can phone us on 1890 24 7 365.
- 2 If the loss or damage involves stealing or malicious damage, you must tell the Garda Síochána or relevant police authority immediately.
- 3 You must take all reasonable steps to get back the missing property.
- 4 You must immediately send us any writ, summons, letter, claim or other document.
- 5 You must provide, within 60 days, any information and evidence we ask for, including written estimates and proof of ownership or value.
- 6 You must give us all reports, certificates, plans, specifications, information and help that we may need and pay any costs involved.

It's up to you to prove any loss, so we recommend that you keep receipts, valuations, photographs, instruction booklets and guarantee cards to help with your claim.

Here to help

Conditions which apply to the whole policy continued

b Dealing with the claim

- 1 You must not admit any claim made by someone else against you or make any agreement with them.
- 2 We have the right to negotiate, settle or defend any claim in your name and on your behalf.
- 3 You must not abandon any property to us for us to deal with.
- 4 You must make yourself personally available to meet with us to help us deal with your claim.
- 5 You must not take any action that would prejudice our ability as insurers to verify the loss that you are claiming under the policy.

5 Cancellation

a If you cancel the policy

You may cancel the policy at any time by giving us written notice. We will refund a percentage of your premium to cover the period of the policy left to run, provided you have made no claim.

b Cooling off period

You may also cancel the policy within the first 14 days after receiving the policy documents within the first year of insurance. We will refund your full premium providing no claims have been made on your policy.

c If we cancel the policy

We may cancel your policy by sending you ten days' notice by registered letter to your last known address. We will refund a percentage of your premium depending on the period of the policy left to run, provided you have made no claim.

6 Arbitration

Any disagreement that we have with you and that we cannot settle between us will be referred to the Financial Services Omdudsmán's Bureau (see page 4 for contact details).

If the Financial Services Omdudsmán's Bureau will not deal with the disagreement, you will have to refer it to arbitration. If you wait more than a year to do this, you will be considered to have abandoned your claim and you cannot take it up again.

7 Your obligation to keep to the terms and conditions of the policy

This policy will only apply if:

- a you keep to the terms, conditions and endorsements and the statements and answers in the proposal form are true; and
- b as far as you know, the statements made and the information given to us, which form the basis of the contract, are complete and correct.

8 Payments

Any money paid under this policy will be paid in euro in the Republic of Ireland.

9 Paying by instalments

If you are paying, or have agreed to pay the premium for this policy by instalments, you must keep your payments up to date. If you miss any payments, we will withdraw your option to pay by instalments or we will cancel the policy (or both). If you have a claim during the current period of insurance, you must pay the full yearly premium. We will deduct any premium owed to us from any claim we pay.

10 Stamp duty

We have paid or will pay stamp duty to the Revenue Commissioners in line with the conditions of section 113 of the Finance Act, 1990.

11 The value of your buildings

You must, at all times, keep the sum insured at a level which represents the full value of the insured building. This means the estimated cost of rebuilding if the building was totally destroyed.

This is not necessarily the market value of the building.

12 Premium adjustments

If a change to your policy results in an extra premium of less than €15, we will not charge you.

If a change to your policy results in a refund of premium of less than €15, we will not refund the amount.

13 Precious stones

The settings in the stones of any item of jewellery worth over €10,000 must be inspected once every three years by a competent jeweller and any defect remedied immediately.

We will also pay any amounts due under extensions to cover 16, 17, 18, 19 and 20.
