Underinsurance

If the **sum insured** is less than the full replacement cost **we** will only pay the same proportion of the **damage** as the **sum insured** bears to the full replacement cost.

For example, if the **sum insured** represents only half of the full replacement cost, **we** will only pay for one half of the amount lost or damaged.

The **sum insured** will not be reduced following payment of a claim.

Important Information

Your Duties

While **your broker** can guide **you**, it is **your** responsibility to make sure that the amount of insurance cover **you** buy represents the full value of **your** property. **You** must therefore keep the **sums insured** at a level which represents the full value of the property.

Full value should represent the following:

- For **buildings** – the full rebuilding cost including additional rebuilding expenses;
- For **contents** – the current cost as new; and
- For **valuables, antiques and works of art, gold and silver, and personal possessions** – the current market value.

The maximum amount that **we** will pay in the event of a claim is the **sum insured** so it is very important that **you** insure **your** property for the full amount of its value

You must notify **your broker**:

- As soon as reasonably possible if **you** become aware that information **you** have given **us** is inaccurate;
- within 14 days of **you** becoming aware of any changes in the information **you** have provided to **us** which happen before or during the **period of insurance**;
- at least 30 days before **you** start any work to extend, renovate, build or demolish any part of the **buildings**, or any work involving the use of heat;
- if **you** make any changes that will downgrade the security or fire protections at **your home**;
- if **you** stop using the **home** as **your permanent home**; or
- if **you** regularly leave the home **unoccupied** or regularly leave the **home** unattended at night.

When **we** are notified that information **you** previously provided is inaccurate, or of any changes to that information, or of planned building works, **we** will tell **you** if this affects **your** insurance. For example, **we** may amend the terms of **your** insurance or require **you** to pay more for **your** insurance or cancel **your** insurance in accordance with 'Important Information – Our right to cancel' on page 14.

If **you** fail to notify **us** that information **you** have provided is inaccurate, or **you** fail to notify **us** of any changes, this insurance may become invalid and **we** may not pay **your** claim, or any payment could be reduced.

Information you have given us

We have relied on the information **you** have given **us**. **You** must take reasonable care when answering any questions **we** ask by ensuring that all information provided is accurate and complete.

If **we** establish that **you** deliberately or recklessly provided **us** with false or misleading information **we** will treat this insurance as if it never existed and decline all claims. A misrepresentation is deliberate or reckless if **you**:

- a) knew that it was untrue or misleading, or did not care whether or not it was untrue or misleading; and
- b) knew that the matter to which the misrepresentation related was relevant to **us**, or did not care whether or not it was relevant to **us**.

The burden will be on **us** to prove a) and b) above.

If **we** establish that **you** provided **us** with false or misleading information which was not deliberate or reckless and had **we** known the information from the start of the policy or at the time of its renewal, **we**:

- a) would not have entered into the contract:
we will:
 - i) charge an additional premium calculated from the start of the policy (the amount charged will be proportionate with the increase in risk);
 - ii) apply additional terms from the date **we** discover the misrepresentation;

Important Information (continued)

Provided **you** have paid the additional premium **we** requested and agreed in writing to the additional terms, **we** will also:

- i) pay any valid claims notified to **us** before the date of the discovery of the misrepresentation, including any valid claim which led to the discovery of the misrepresentation;
- ii) continue to cover **you** on the revised basis for the remaining **period of insurance**, but **we** may not continue insuring **you** once the policy reaches its renewal date.

However there may be certain circumstances where **we** will avoid the policy from the start date and treat the insurance as though it never existed. These circumstances will include where the misrepresentation means **we** or **our** parent company will suffer reputational harm in either the insurance market, the media or amongst **our** clients or trading partners. If **we** do avoid **your** policy from the start date because of the above, all premiums paid will be returned and no claims paid.

b) would have applied different terms:

we will apply those different terms from the date **we** discover the misrepresentation.

c) would have charged a higher premium:

we will charge that additional premium calculated from the start of the policy.

d) would have charged a higher premium and applied different terms:

- i) **we** will charge an additional premium calculated from the start of the policy; and
- ii) apply additional terms from the date **we** discover the misrepresentation.

We or **your broker** will write to **you** if **we**:

- intend to treat this insurance as if it never existed; or
- require **you** to pay an additional premium; or
- apply additional terms.

How to make changes to this insurance

If **you** would like to make changes to **your** insurance please contact **your broker**.

You must tell **your broker** as soon as reasonably possible of any change to **your** circumstances and/or the information **you** and/or **your broker** have previously provided during the **period of insurance** to allow **us** to reassess **your** insurance risk. Changes that should be notified, which apply to all members of **your** household, include (but are not limited to):

- a change of name;
- a change to **your** occupation or the nature of business in which **you** work;
- anyone covered by this policy being convicted of a non-motoring criminal offence or being charged with, but not yet tried for, any non-motoring criminal offences;
- anyone covered by this policy being declared bankrupt (whether in a personal or business capacity), or receiving a Court Judgement;
- any loss or **damage** not reported or claimed for under this policy.

Changes to **your home** that should be notified include (but are not limited to):

- a change of address;
- **your home** no longer being in a good state of repair;
- a change to the use of **your home**, including any business use;
- any works being carried out at **your home**;
- if **you** downgrade the security or fire protections at **your home**;
- if **you** stop using the **home** as **your** permanent **home**;
- if **you** regularly leave **your home unoccupied/unattended** at night.

Important Information (continued)

When **we** are notified that information **you** previously provided is inaccurate, or of any changes to that information, **we** will tell **you** if this affects **your** insurance. For example, **we** may amend the terms of **your** insurance, require **you** to pay more for **your** insurance or cancel **your** insurance in accordance with 'Important Information – Our right to cancel' on page 14.

If **you** are in any doubt regarding the information being requested of **you**, please contact **your broker**.

REMEMBER - failure to notify **us** of changes then **you** may not receive any payment for a claim, a claim may be reduced, or **you** may lose all right to cover under **your** policy.

Renewal of this insurance

When this policy is due for renewal, **we** may offer to renew it for **you** automatically. This would mean **you** do not need to confirm **your** intention to renew before this policy ends. If **we** offer to do this for **you**, **your broker** will contact **you** before the **period of insurance** ends with full details of **your** next year's premium and policy terms and conditions. If **you** do not want to renew this policy, please contact **your broker** before the renewal date. Occasionally, **we** may not be able to offer to renew this policy. If this happens, **your broker** will contact **you** at least 21 days before the expiry of this policy to allow enough time for **you** to make alternative insurance arrangements.

How to cancel this insurance

During the cooling off period

You may cancel this insurance within 14 days:

- of buying this insurance; or
- of the day on which **you** receive the insurance documents,

whichever is later, by writing to **your broker**. **We** will provide a full refund of the premium paid unless **you** have made a claim on this insurance. **We** can decide not to refund any premium if **you** have made a claim or there has been an event that could result in a claim being made on this insurance.

After the cooling off period

If **you** cancel this insurance outside the cooling off period, provided **you** have not made a claim, or there has not been an event that could result in a claim, **you** will be entitled to a refund of any premium paid, subject to a deduction for the time for which **you** have been covered. If **we** pay any claim, in whole or in part, then no refund of premium will be allowed.

Our right to cancel

We may cancel this insurance where there is a valid reason by giving **you** 30 days' notice in writing. **We** will only do this for a valid reason. Examples of valid reasons are as follows:

- Non-payment of premium;
- A change in risk occurring which means that **we** can no longer provide **you** with insurance cover;
- Non-cooperation or failure to supply any information or documentation **we** request;
- Failure to comply with **your** duties under 'Important Information – Your Duties' on page 12;
- Failure to inform **us** of changes to information provided by **you** on **your** proposal form/statement of fact; and
- Failure to implement changes that have been requested by **us**.

Any refund of premium due to **you** will depend on how long this insurance has been in force. For example, if you have been covered for six months, the deduction for the time **you** have been covered will be half the annual premium.

This information includes details such as **your** name, address and contact details and any other information that we collect about **you** in connection with the insurance cover, or the cover from which **you** benefit. This information may include special categories of personal data details such as information about **your** health and any criminal convictions you may have.

Why we collect your personal information and the lawful basis for processing

We collect and use **your** personal data to provide **you** with the insurance cover. The legal basis is the contract performance with you as the data subject and the compliance with legal obligations, amongst other insurance and tax law obligations.

For processing sensitive health personal data, the general legal basis is the consent, unless there is a local statutory right to do so as a legal basis.

For processing child personal data, the legal basis is the consent given or authorised by the holder of parental responsibility over the child.

Finally, we can also process your personal data for fraud prevention and detection with legitimate interest as the legal basis.

Who we are sharing your personal data with

The way insurance works means that your information may be shared and used by several third parties in the insurance sector (inside and outside the European Economic Area-EEA). For example, insurers, insurance agents or insurance brokers, reinsurers, loss adjusters, sub-contractors, regulators, law enforcement agencies, fraud and crime prevention and detection agencies and compulsory insurance databases. **We** will only disclose **your** personal information in connection with the insurance cover that is provided, and to the extent that it is needed or allowed by law.

From time to time we may need to share **your** personal information with third parties outside EEA and **we** will always take steps to ensure that any international transfer of information is carefully managed to protect **your** rights and interests:

- **We** will only transfer **your** personal information to countries which are recognised as providing an adequate level of legal protection or where we can be satisfied those alternative arrangements are in place to protect **your** privacy rights.
- Transfers to service providers and other third parties will always be protected by contractual commitments and where appropriate further assurances.
- Any requests for information we receive from law enforcement or regulators will be carefully checked before personal information is disclosed.

How long we keep your data

We keep your personal details for no longer than is necessary in offering the insurance arranged or to comply with our legal or regulatory requirements.

We will securely delete or erase your personal information if there is no valid business reason for retaining your data. In exceptional circumstances, **we** may retain your personal information for longer periods of time if we believe there is a prospect of litigation, in the event of any complaints or there is another valid business reason the data will be needed in the future.
