- In relation to you or any driver who will drive, you must tell us if there is a material change in circumstances (which includes any new circumstances or changes in circumstances which alter the subject matter of the policy or the nature of the risk underwritten);
- You must take all reasonable steps to prevent accident, injury, loss or damage. You must ensure
- the car is kept in a roadworthy condition and that the car is always properly compliant with all Road Traffic legislation;
- You or any person whose driving is covered by the terms of the certificate must hold a licence to drive that vehicle or, if they have held a licence to drive that

vehicle, must not have been disqualified from holding that licence;

- You or any person whose driving is covered by the terms of the certificate must comply with any restriction, condition and limit on their driving licence;

- You must not admit, deny, negotiate or settle a claim without our written permission, and you must co-operate fully with us in investigating and handling any claim.

The provision of insurance under your policy is conditional on you observing and fulfilling the general exceptions, conditions and terms of the policy. If by law we must make a payment that we would not otherwise have had to make, we may seek recovery of that outlay incurred from you and/or the driver of the vehicle.

When and how do I pay?

- To proceed with policy cover you must contact your broker in advance of the required cover start date to arrange for the payment of the premium. Payment options may include a cheque or credit/debit card payment for the full premium or a schedule of periodic direct debit instalments (note: a service charge may apply to direct debit instalments). Payment methods depend on the options available to you from your broker.

When does the cover start and end?

- In return for your premium, the period covered by this policy is from the start date (as shown in your schedule) for a 12 month period and any further specified period, when you renew, that we agree to insure you for.

How do I cancel the contract?

- You may cancel this policy at any time after the cooling off period by returning your certificate of motor insurance and windscreen disc to your insurance intermediary or broker. As long as no claim has happened during the current period of insurance, we will work out the premium for the period for which we have insured you and refund any balance. We will not refund any premium if you have made a claim or if one has been made against you during the current period of insurance.
