General conditions

This policy is only valid if:

- ▶ The information you provided in the answers you have given to questions we or our agent have asked and/or, as recorded on your statement of fact / proposal form and declaration, is correct and complete, and
- ▶ You, or anyone claiming protection, have complied with the policy conditions.

If you do not comply, we may cancel the policy or refuse to deal with your claim or reduce the amount of a claim.

We may revise the terms, conditions or benefits set out in this document but if we do we will give you written notice.

1. Cancelling the policy

To cancel the policy, just advise your broker by phone or in writing and return your certificate of insurance and insurance disc. We will refund premium on the following basis:

- ▶ if you request cancellation within 14 working days of the date upon which we inform you the policy has been incepted, we will refund the full premium.
- ▶ otherwise, we will issue a refund based on the unused days left to run on the policy, less an administration fee, provided you have not claimed or been involved in any incident likely to result in a claim during the current period of insurance.

We will not refund your premium for optional extras, such as injury to driver.

We will not refund any premium which is less than €15 after we charge the administration fee.

We will not refund your premium if you are paying it under an instalment scheme (unless you made an overpayment).

We can cancel this policy immediately if you do not pay the premium or you miss a payment under an instalment scheme.

You must send us the certificate of insurance and the insurance disc.

We, or our authorised agent, may cancel this policy by giving you 10 days' notice in writing. We will send any notice to your last known address and we must tell the Department of Environment. You must then send us the insurance disc and certificate of insurance.

2. Paying by instalments

If you are paying, or have agreed to pay, the premium for this policy by direct debit from a bank or building society account, you must keep your payments up to date. If you do not pay, we will withdraw the option to pay by instalments or cancel the policy (or both).

3. Handling claims against you

We may take over and deal with the defence or settlement of any claim in the name of the insured driver.

4. Changes to your policy

This policy is based on the factual information you provided. These facts are represented by the answers you have given to questions we or our agent have asked and/or the proposal form you completed and/ or the statement of facts we or our agent last issued. If any of these facts have changed you must let us know immediately otherwise cover may not operate.

It is important you know that we may have to settle claims without your permission.

If you are not sure whether or not certain facts are important, please ask your broker.

We have the right to accept or decline changes to your policy and we may charge an additional premium including an administration charge.

If a change to your policy, including the administration charge, results in an extra premium of less than €15, we will not charge you for it.

If a change to your policy, including the administration charge, results in a refund of less than €15, we will not refund it to you.

5. If you choose not to or cannot drive your car

If your car is laid up and out of use, you can suspend your cover by returning your certificate and disc of motor insurance to us or to your Broker.

We will suspend all cover when we receive the certificate and disc of insurance, except for loss of damage caused by fire and theft, or attempted theft, if we cover fire and theft under the policy.

You are entitled to a refund of 75% of the premium for the period we suspend the policy (80% if cover is third party only) as long as:

- ▶ your car is not laid up as a result of a claim
- ▶ the policy is suspended for more than 28 days
- ▶ the policy is not issued or renewed for less than 12 months and
- ▶ you do not make a claim during the period of suspension.

You must pay all premiums due during a period of suspension by the due date including any instalment payments.

6. Claims procedure

If there is an accident, you must immediately do whatever you can to protect the car and its accessories. You or your legal representative must give us full details by phoning the claims helpline (0818 7 365 24 or 003531 5853200) as soon as possible after any event which could lead to a claim under this policy. There may be circumstances where we need other details in writing. You must also immediately send us any

letters and documents you receive in connection with the event before you reply to them.

If you know of any future prosecution, coroner's inquest or fatal accident inquiry about any event, you must tell us immediately in writing.

You, and anyone insured by this policy, must not admit anything, or make any offer or promise about a claim, unless you have our written permission.

If your car is stolen, you must tell us as soon as possible by phoning our claims helpline on 0818 7 365 24. You must also tell the gardaí.

7. Looking after your car

You must do all you can to prevent injury to other people and protect your car and keep it in a roadworthy condition. If you do not do this, your right to claim under your policy may be affected. You must let us examine your car at any reasonable time if we ask to do this.

8. Other insurance

If you make a claim for any liability, loss or damage that is also covered by any other insurance policy, we will only pay our share of the claim.

9. Getting our claims costs back

If we think someone else is at fault for a claim that we pay, we may follow up that claim in the name of anyone claiming cover under this policy to get back the payments that we make. Anyone making a claim under this policy must give us any help and information that we need. If, under the law of any country in which you are covered by this policy, we have to pay a claim which we would not normally have paid, we may get that payment back from you or from the person responsible.

10. Misrepresentation and Deception

Definitions:

- ▶ Misrepresentation is when someone makes a statement which is not correct to another person. A misrepresentation may be innocent, negligent or fraudulent.

All of the information which you gave us, or our agent, and all of the answers you have provided

to the questions which we or our agent asked you leading to the inception of this contract of insurance have effect as representations made by you to us.

- ▶ Deception is where false information is used to make an unfair or unlawful gain.

You must not act in a fraudulent way.

Negligent Misrepresentation

If you have made a negligent misrepresentation and a claim arises, we may:

- Avoid the contract and return your premium if we would not have entered into the contract under any terms
- If we would have entered the contract but on different terms, treat the contract as if those different terms apply
- If we would have entered the contract but at a higher premium we may reduce proportionately the amount to be paid on any claim

If you have made a negligent misrepresentation and no claim has arisen we may terminate the contract on reasonable notice to you.

Insurance fraud is a crime and penalises innocent drivers.

Fraudulent Misrepresentation

If a claim is made and if any answer given by you to us involves a fraudulent misrepresentation or where any conduct by you (relative to the contract or the steps leading to its formation) involves fraud of any other kind we may avoid this contract of insurance.

Fraudulent Claims

If you or anyone acting for you:

- ▶ makes a claim under the policy, knowing the claim is false or misleading
- ▶ makes a claim for any loss or damage deliberately caused by you or a person covered to drive your car or with your knowledge

- ▶ in connection with a claim makes a statement to us or anyone acting on our behalf, knowing the statement is not true
- ▶ in connection with a claim sends us or anyone acting on our behalf a document, knowing the document is false

We may take one or more of these actions as well as our other rights:

- ▶ we will not pay the claim
- ▶ we may avoid the policy with effect from the date of the fraudulent claim or fraudulent act
- ▶ we will not return your premium
- ▶ we may consider letting the appropriate law enforcement authorities know about the circumstances

If you commit a fraudulent act on any other policy, then we may:

- ▶ cancel this policy
- ▶ consider letting the appropriate law enforcement authorities know about the circumstances

11. Dispute Resolution

Any disagreement that we have with you and that we cannot settle between us will be referred to the Financial Services and Pensions Ombudsman (see on page 6 for contact details).

If the Financial Services and Pensions Ombudsman will not deal with the disagreement, you have to refer it to arbitration. If you wait more than a year to do this, you will be considered to have abandoned your claim and you cannot take it up again.

12. Payment

Any money paid under this policy will be paid in euro in Ireland. We have paid or will pay stamp duty to the Revenue Commissioners in line with the conditions of section 19 of the Finance Act, 1950, as amended

SECTION 1

Loss or damage to your car

This part only applies if you have comprehensive cover, or third party fire and theft cover and the damage is caused by fire or theft.

What is covered?

We will pay for:

- ▶ loss of or damage to your car, and its accessories while in your car, up to the market value of your car
- ▶ the cost of protecting and removing your car to the nearest competent repairer, and
- ▶ if your car is repaired, the reasonable cost of delivering your car back to your address in Ireland.

This will involve:

- ▶ repairing your car in an AXA garage or one of your choice or
- ▶ replacing what is lost or damaged, if the cost of repairing it would be more than it costs to replace, or
- ▶ paying the cost of the loss or damage to you or the legal owner if we are told that your car belongs to someone else.

We will choose which option is appropriate.

If we choose to repair your car but you choose not to use an AXA garage:

- ▶ We will only provide you with a temporary replacement car for the duration of repairs agreed by our engineer, and we will only pay what our engineer thinks it would have cost to repair your car in an AXA garage, if the cost of repairs in the garage you choose are higher.

If your car is stolen and is not found or, after it is found is not worth repairing, we will pay you the market value of your car, including accessories and spare parts at the time they are lost, stolen or damaged. We will also cover accessories and spare parts of your car, which are in your private garage at the time of the loss or damage.

We may choose to repair your car with recycled parts, where appropriate.

We may use parts that have not been made by the car's manufacturer, but they will be of a similar standard.

If any lost or damaged parts are no longer available, we will pay an amount equal to the cost shown in the manufacturer's latest price guide, together with reasonable fitting costs.

If your car is being repaired by one of AXA's garages after an accident, we will give you a replacement car for up to seven days or for as long as you need it (if less than seven days). This car is usually a class-A or economy-class one litre car. If you have an Executivefirst policy, we will, where possible, provide you with another executive car. If your car is a people carrier we will, where possible, provide you with a seven-seater MPV (multi-passenger vehicle) as the replacement car.

Salvage (if your car is written off)

We will settle your claim by replacing your car or by paying the market value of your car before it was damaged. As part of settling your claim, your car will become our property and you must send us the vehicle licensing document.

Replacing your car with a new one

Please check your schedule as you may not have this cover.

We will replace your car with a new one of the same make, model and specification if the car is:

- ▶ stolen and not recovered within 28 days, or
- ▶ damaged so that repairs will cost more than 60% of the manufacturer's retail list (including taxes and the cost of accessories) at the time of the loss or damage.

We will only do this if:

- ▶ the loss or damage happens before your car is one year old
- ▶ you have owned the car or hired it under a hire-purchase agreement since it was first registered as new and
- ▶ you, and anyone else we know who has an interest in your car, agree.

If a replacement car of the same make, model and specification is not available, the most we will pay is:

- ▶ the market value of your car and its fitted accessories and spare parts at the time of the loss or damage, or
- ▶ the manufacturer's retail price of your car when you bought it less 10%, whichever is higher.

Loss of or damage to a car you borrow from another person

This cover does not apply unless it is shown in your schedule under section 1.

As well as covering you for your legal responsibility to others, we will give you cover as described in section 1. If you have cover under section 2, we will cover damage to any car you are driving (under clause 5(b) of your certificate).

This cover will only apply if:

- ▶ the policy schedule shows that your cover is comprehensive
- ▶ the certificate of motor insurance contains the 'driving other cars' clause number 5(b)
- ▶ you are responsible for looking after a car that is being driven under clause 5(b) of the certificate
- ▶ you do not regularly use or drive the car
- ▶ there is no other insurance policy which covers you driving that car (whether or not that policy would cover what is covered by this extended cover)
- ▶ the car does not belong to you or your husband or wife
- ▶ the engine capacity of the car is no higher than 2,500 cubic centimetres

- ▶ you have the owner's permission to drive the car and have been driving it for less than 30 days, and
- ▶ the loss or damage happens in Ireland

The most we will pay under this extended cover is €100,000.

Our uninsured driver promise

If you make a claim for an accident that is not your fault and the driver of the car that hits you is not insured, you will not lose your no claims discount.

Your excess will have to be paid.

Conditions:

We will need:

- ▶ the vehicle registration number and the make and model of the car, and
- ▶ the driver's details, if possible.

It also helps us to confirm who is at fault if you can get the names and addresses of any independent witnesses, if available.

Also, if/when your renewal is due investigations are still ongoing, you may lose your no claims discount temporarily.

However, once we confirm that the accident was the fault of the uninsured driver, we will restore your no claims discount and refund any extra premium you have paid.

This promise is for comprehensive policyholders only.

**What is not covered under this section of the policy****Excess**

An excess is the part of the claim you have to pay.

You will not have to pay an excess if the loss or damage is caused by fire, lightning, explosion, theft or attempted theft. You will have to pay the excess shown on your policy schedule for any other type of claim covered under this section.

We will not pay an excess even if you were not at fault. Nor will we seek on your behalf to recover an excess from another person.

Please refer to your schedule to see what excess applies to your policy. An additional excess of €100 applies for all named drivers under 25.

You can reduce this excess if you use an AXA garage.

This reduction is not available to Drivefirst policyholders

You are also not covered for the following:

- ▶ Loss of use or any other resulting loss.
- ▶ Reduction in your car's value because it has been repaired.
- ▶ Wear and tear.
- ▶ Mechanical or electrical failure, breakdowns or breakages.
- ▶ The cost of hiring another car.
- ▶ The cost of any repair or replacement which improves your car beyond the condition it was in before the loss or damage took place.
- ▶ Damage to tyres from braking, punctures, cuts or bursts unless these are caused in an accident.

**What is not covered under this section of the policy**

- ▶ Loss, destruction or damage caused directly by pressure waves from aircraft and other flying objects travelling at or above the speed of sound.
- ▶ Loss or damage to your car's navigation system or other computer or electronically controlled equipment caused by it failing to recognise any date as the true calendar date.
- ▶ Loss or damage from using your car in a rally, competition or trial.
- ▶ The cost of importing parts or accessories for your car from outside the European Union.
- ▶ The extra cost of parts or accessories above the price of similar parts and accessories received from the manufacturer's European representatives.
- ▶ We will not pay more than 10% of the value of your car for any permanently fitted car radio, two-way radio, car phone, audio or similar equipment.
- ▶ Loss or damage to your car when it is being driven by a driver for whom you have chosen to limit cover to 'liability to others' only.
- ▶ The VAT (value added tax) on any repair or replacement if you are registered for VAT.

SECTION 2

Broken glass

Please check your schedule as you may not have this cover.

Your schedule will show if you have this cover. A claim under this section will not affect your no-claims discount. We will cover the cost or replacing or repairing broken or damaged windscreens, windows or glass in the sunroof of your car, and scratches to the bodywork caused by the glass breaking.

Limit of cover

If you use our approved repairer, cover will be unlimited. If you use your own repairer, cover will be limited to €400.

If a claim for broken glass is more than 50% of the market value of the car, we will only pay you the market value of your car.

What is not covered under this section of the policy

- ▶ The cost of any repair or replacement which improves your car beyond the condition it was in before the loss or damage took place
- ▶ Loss, destruction or damage caused directly by pressure waves from aircraft and other flying objects travelling at or above the speed of sound
- ▶ Loss or damage from using your car in a rally, competition or trial
- ▶ The cost of importing parts or accessories for your car from outside the European Union
- ▶ The extra cost of parts or accessories above the price of similar parts and accessories received from the manufacturer's European representatives
- ▶ Loss or damage to your car when it is being driven by a driver for whom you have chosen to limit cover to 'liability to others' only.

SECTION 3

Towing

This policy applies when your car is towing a caravan, trailer or a broken-down vehicle if this is allowed by law and you hold the correct driving licence..

We will not pay claims:

- ▶ if you are being paid to tow the caravan or vehicle; or
- ▶ for loss of or damage to the towed vehicle or to property being carried in the towed vehicle, or for injury to any person being carried in the towed vehicle.

SECTION 4

Liability to others

This section of the policy applies to damage or injury happening in Europe.

1a Cover for you

We will pay all amounts you legally have to pay as a result of negligently using your car and any trailer or caravan being towed by it if you cause the accidental death of, or bodily injury to, any person.

We will also pay up to €30 million if you legally have to pay damages, costs and expenses as a result of negligently using your car and any trailer or caravan being towed by it if you cause accidental damage to property belonging to other people.

1b Driving other cars

This cover will also apply if you are driving any other car which your certificate of insurance covers you to drive. If you are covered to drive other cars, it will be shown in section 5(b) of your certificate of insurance.

This cover only applies if:

- ▶ you do not own the car or you have not hired the car under a hire-purchase agreement
- ▶ it is shown that this cover applies under section 5(b) of your certificate of insurance;
- ▶ you have the owner's permission to drive the car, and
- ▶ the vehicle is being used within the 'limits for use' shown in your current certificate of motor insurance.

This cover applies when driving in Europe. However, if you are driving abroad in a car you have borrowed that is not registered in Ireland, please check before you travel that the local authorities will recognise your 'driving other cars' extension as valid insurance.

2a Cover provided for other people

If you ask us to, we will give the following people the same 'liability to others' cover under this section we give you under 1a:

- ▶ Anyone you allow to drive your car who is covered to drive it under the certificate of insurance
- ▶ Any person using (but not driving) your car with your permission for social, domestic and pleasure purposes
- ▶ Any person travelling in or getting into or out of your car
- ▶ Your employer or business partner, as long as your car is not owned by or hired to either your employer or business partner and your car is being used for a purpose that is allowed under your certificate of insurance and your employer is not covered under another policy.

2b Your legally-appointed representatives

After the death of anyone insured under this policy, we will protect that person's estate against any loss they would have had if we insured that liability under this policy.

3a Legal fees and expenses

If we give you our written permission, we will pay for solicitor's fees to represent anyone insured under this policy at any coroner's inquest, fatal inquiry or to defend anyone insured under this policy in a district court for any accident which might give rise to a claim under this section of this policy.

3b Proceedings for manslaughter or causing death by reckless driving

We will pay fees for legal services to defend anyone insured under this policy if legal proceedings are taken against that person for manslaughter or causing death by reckless driving. The following conditions will apply to this cover:

- ▶ You must ask us to provide the cover
- ▶ The death or deaths giving rise to the proceedings must have been caused by an accident covered by this policy
- ▶ The accident which caused the death or deaths must have happened in Ireland or the UK
- ▶ The most we will pay is €1,270

It's important that you and anyone insured to drive your car reads this

- ▶ Anyone who is insured under another policy

- ▶ Anyone employed in the motor trade driving your car because it is being overhauled, repaired or serviced
- ▶ Death or bodily injury to anyone driving or in charge of your car

SECTION 5

Foreign use

Full cover will apply for you to travel to Europe for up to 31 days in a row during the period of insurance.

If you travel to Europe more often or for more than 31 days in a row, contact your Broker.

What is not covered under this section

- ▶ You are not covered for any legal action taken against you outside the European Economic Area, unless it is a result of using your car in a country for which we have agreed to extend this insurance cover.

If you are unfortunate to have an accident, please contact us at 00353 1 8583200.

SECTION 6

Our right of recovery

If by law we have to make a payment that would not be covered under this policy, you will have to refund the amount to us

SECTION 7

No-claims discount

(including accident forgiveness)

If you do not claim during the current period of insurance, we will give you a discount from your premium according to the table shown below. We will not discount any premiums to insure your car against fire or theft, and premiums for any optional extra cover. We will give you this discount for each claim-free year up to the maximum entitlement

Number of years claim-free driving	0	1	2	3	4	5
Percentage discount allowed	0%	10%	20%	30%	40%	50%

If you have to make a claim, we will reduce the discount that last applied to your premium at the next renewal according to the following table, unless you have chosen to delete this option. Your schedule will show if this option has been deleted.

Percentage discount allowed at the start of the policy or when it was last renewed	Percentage allowed at next renewal for one claim happening in the previous insurance year (excluding Studentfirst)
0%	0%
10%	0%
20%	0%
30%	0%
40%	10%
50%	20%

We will reduce your no-claims discount to nothing if you make a claim and you or any other person covered to drive your car is convicted of dangerous driving or charged with drink-driving or a drug offence in connection with the same incident.

If you make two or more claims in the previous insurance year, we will reduce your no-claim discount to nothing.

If you need to make a claim, you could lose some or all of your no-claims discount.

If we make payments that we have not claimed back from another person, the claim will count against your no-claims discount even if you were not at fault. We may decide not to claim back from another person, or may claim without success.

For no-claims discount purposes, a period of insurance is one year between the beginning of the policy and the date you renew it, or between renewal dates. You cannot transfer your no-claims discount to anyone else

Your no-claims discount will not be affected by:

- ▶ payments under section 1 for fire and theft claims
- ▶ payments made under section 2 Glass breakage or section 9 Extra benefits
- ▶ payments for emergency treatment the law says we must pay and
- ▶ payments (together with associated costs and expenses) which we later get back in full

Even though the no-claims discount we give you will not be affected, any statement of no-claim discount we issue will be drawn up as if you did not have any of this protection and any claims you have will appear on this statement. Other insurers may take those claims into account when deciding to insure you or in setting your premium.

We will ask you to renew this policy before the renewal date. If you make a claim just before you next renew your policy, this may not be reflected in our offer for you to renew cover. If this happens, you can ask us to change our offer of renewal, or wait until the following renewal date for that claim to be taken into account.

SECTION 8

Protected no-claims discount

This is an optional extra. If you have bought it, your no claims discount is safe if you make one claim.

You can buy this cover for an additional charge.

Your schedule will show if you have chosen this cover.

You can pay an extra premium to protect your no-claims discount. This cover allows you to make one claim without reducing your no-claims discount.

We will treat a second claim as one claim and we will reduce your no-claims discount in line with the scale shown earlier. Once you make a claim, we will remove the protection for later claims and you will not qualify for protection for at least three years. If you make a second claim, that claim will affect your no-claims discount.

Although you can protect your no-claims discount, your premium may increase if:

- ▶ you make unreasonably large or excessive claims
- ▶ you receive motoring convictions or
- ▶ we decide it is necessary for any other reason.

SECTION 9

Extra benefits

Claims under this section will not affect your no-claims discount.

Your schedule will show if you have this cover.

A claim under this section will not affect your no-claims discount.

Benefits

Part A – Broken glass

We will cover the cost of replacing or repairing broken or damaged windscreens, windows or glass in the sunroof of your car and scratches to the bodywork caused by the glass breaking, if you do not already have this cover under section 2.

Limit of cover:

If you use our approved repairer, cover will be unlimited. If you use your own repairer, cover will be limited to €400. If a claim for broken glass is more than 50% of the market value of the car, we will only pay you the market value of your car

Part E - Fire-brigade charges

We will pay charges from a local authority (in line with the Fire Services Act 1981) for putting out a fire in your car if the fire gives rise to a valid claim under the policy, or for removing the driver or passengers from your car using cutting equipment.

The most we will pay for any one claim is €1,270 on top of any amount we will pay you under sections 1 or 4 of the policy

Part F – Legal expenses**Section 1**

You are covered for reasonable solicitor's fees to go ahead with legal proceedings for compensation arising from a road-traffic accident while you are in your car, against those whose negligence has caused your injury or death, or caused you to lose insurance policy excess or other out-of-pocket expenses you are not insured for.

Section 2

Limits

- ▶ The most we will pay is €100,000, or €25,000 for claims under section 2.

Significant exclusions or limits

This insurance only covers solicitor's fees from our panel of solicitors. You are not covered for any solicitor's fees if you appoint any other solicitor to act for you.

It is an important condition of this insurance that there must be a reasonable chance of success in the legal action, before we will accept a claim for legal costs.

There is no cover for the following;

- ▶ Solicitor's fees that we have not given our permission for, or that are above the value of your claim
- ▶ Fines or penalties
- ▶ Solicitor's fees from events that happened or you knew about, before the period of insurance
- ▶ Prosecutions relating to parking offences, allegations of driving under the influence of drink or drugs, or violence or intentional dishonesty, including driving without a valid driving licence or other licence or certificate as needed by law
- ▶ Pleas in mitigation, unless we believe that a plea will have a significant positive effect on the sentence
- ▶ Judicial reviews
- ▶ Claims brought using the Personal Injury Assessment Board (PIAB), other than those in relation to the PIAB application fee
- ▶ Claims where the value of your claim is not more than €350

You and the solicitor must do the following;

- ▶ Provide us with any information that we need (you must pay any costs).
- ▶ Keep us regularly updated on the progress of the case, and tell us about any offer of settlement the other person makes.
