## Understanding your policy

We have designed our policy to help you to understand the cover provided. You will find these headings on many of the pages.

# How we settle claims

You must tell us if the buildings and contents sums insured are not high enough. If not, you may find that you do not have enough cover and we will not pay the full value of your claim.

We will decide how to settle your claim. We will normally arrange for one of our suppliers to repair, reinstate or replace the lost or damaged property. In some instances, we may decide to pay a cash amount for the loss or damage. We will not pay more than our suppliers would have charged. We will deduct the appropriate excess from all claims payments we make.

## Claims retention

Where we agree to pay your claim we reserve the right to withhold a percentage of the final payment until the repair, replacement or re-instatement works are completed and validated through the submission of a final invoice and (where required by AXA) a final inspection report.

Percentage of final payment we may retain:

- up to 5% if the settlement amount is less than €40,000
- up to 10% if the settlement amount is €40,000 or more

## Matching sets and suites

We treat one item of a matching set of items or suite of furniture or sanitaryware or other bathroom fittings as a single item. We will pay you for individual damaged items but not for the other undamaged pieces. However, we will pay for replacing undamaged parts of a bathroom suite if we cannot find replacements to the damaged parts.

## **Will we take off an amount for wear and tear?**

### **Buildings**

If we carry out a repair or reinstatement, we will not take off an amount for wear and tear as long as the sum insured represents the full reinstatement value of the building and you have kept the building in good condition.

The full reinstatement value is not necessarily the value you would get if you sold the property (market value).

### **Contents**

We will take off an amount for:

- clothes, furs, household linen;
- TV sets, DVD players, camcorders, videos, record players, compact disc players, ipods, video recorders, home computers, lap top computers, game consoles and similar equipment including CDs, tapes, records and software over one year old; or
- carpets over five years old.

We will not take off an amount for wear and tear for all your other contents as long as the sum insured represents their full value as new at the time of loss and you have kept them in good condition.

### **Other insurance policies**

If any injury, loss or damage is covered by any other insurance, we will not pay more than our share. This does not apply to subsection 20 of section B (Contents) or section I (Personal accident).

# No-claims discount

Before you make a small claim, remember you could lose your no-claims discount. Please call us if you have any questions.

**Here to help**

For the purpose of working out the no-claims discount, a period of insurance is one continuous year between the beginning of the policy and the renewal date shown in your schedule or between consecutive renewal dates.

If you have consecutive periods of insurance with us without any incident which may give rise to a claim, we will reduce your premium when you renew the policy in line with our discount scale that applies at the renewal date. We will give you details if you need them.

If during a period of insurance incidents happen giving rise to claims under the policy, we will reduce the no-claims discount to 0%.

If we agree to transfer the interest of the policy to someone else, we will not transfer any no-claims discount earned.

# Inflation protection

## Buildings

To help protect you against inflation, we will adjust the sum insured under the buildings section each month, in line with an appropriate index we have chosen, and each year when you renew the policy we will increase the sum insured in line with that index.

## Contents and personal possessions

To help protect you against inflation, we will amend the sum insured under the contents section each month, in line with an appropriate index we have chosen, and each year when you renew the policy, we will increase the sum insured in line with that index.

The following applies to buildings, contents and personal possessions.

- If an index falls, we will keep the sums insured and monetary limits at the same level.
- We do not charge for this inflation protection at the time of the monthly increase but when you next renew your policy we will adjust your sums insured as a result.
- Inflation protection will not apply to the monetary limits.
- During the period of repair, after we carry out a repair or replacement for loss or damage to the building, we will continue to protect the sum insured against inflation as long as:
  - a you take reasonable steps to make sure that the repair or replacement is carried out immediately; and
  - b the sum insured at the time of the loss or damage represents the full value.

Although you have the benefits of inflation protection, you should not rely on this alone to keep the building sum insured at the correct level. The replacement cost of your building or contents may be growing faster than inflation – perhaps because of a new extension or new items you have bought. It is a policy condition to insure for the correct amount – see page 17.

Remember, insure your buildings for the replacement cost, **not** market value.

If any part of this exclusion is not valid or cannot be enforced, the other parts will still be effective.

#### **7 Wear and Tear**

Your policy is intended to cover you against unforeseen events like fire or theft. It does not cover wear and tear or damage that occurs gradually over time.

# Conditions which apply to the whole policy

You must follow these conditions to make sure you're covered.

Here to help

You must keep to the following conditions to have the full protection of your policy.

## 1 Changes that may affect your insurance

This policy is based on the factual information you provided. These facts are represented by the answers you have given to questions we or our agent have asked and/or the proposal form you completed and/ or the statement of facts we or our agent last issued. If any of these facts have changed you must let us know immediately otherwise cover may not operate.

If you are not sure whether or not certain facts are important, please ask your broker.

We have the right to accept or decline changes to your policy and we may charge an additional premium including an administration charge.

- c. If we would have entered the contract but at a higher premium we may reduce proportionately the amount to be paid on any claim

If you have made a negligent misrepresentation and no claim has arisen we may terminate the contract on reasonable notice to you.

### **Fraudulent Misrepresentation**

If a claim is made and if any answer given by you to us involves a fraudulent misrepresentation or where any conduct by you (relative to the contract or the steps leading to its formation) involves fraud of any other kind we may avoid this contract of insurance.

### **8 Payments**

Any money paid under this policy will be paid in euro in the Republic of Ireland.

### **9 Paying by instalments**

### **11 The value of your buildings**

You must, at all times, keep the sum insured at a level which represents the full value of the insured building. This means the estimated cost of rebuilding if the building was totally destroyed.

This is not necessarily the market value of the building.

### **12 Premium adjustments**

If a change to your policy results in an extra premium of less than €15, we will not charge you.

If a change to your policy results in a refund of premium of less than €15, we will not refund the amount.

### **13 Precious stones**

The settings in the stones of any item of jewellery worth over €10,000 must be inspected once every three years by a competent jeweller and any defect remedied immediately.
