**Important Information - Please Read**

Your policy schedule indicates whether you have Home Emergency Assistance cover.

Please note that insurers will not cover any expenses or provide assistance unless it has been authorised through their emergency helpline. If you arrange emergency repairs independently, you will not be reimbursed unless prior approval is obtained from your insurer. Home emergency assistance is not a maintenance contract for your home.

Terms and conditions apply. For full details, please refer to your policy booklet, which is available on our website: [campion.com](http://campion.com) under 'Useful Documents'.
