

In the event of an accident, vehicular theft or malicious damage, please contact us as soon as possible after the incident. Call and give us a full description of the incident.

*Following any accident always stop and exchange the following information:*

1. Names and addresses of those involved.
2. The vehicle registration numbers of all the vehicles involved.
3. If you have a Smart Phone please take photographs of the scene and the vehicles involved, otherwise, please note the position of the vehicles involved, any eye witnesses and any other relevant information. Accidents that involve any form of personal injury have to be reported to the Police within 24 hours.
4. If you believe the accident is your fault, please give the other driver the non fault card with our claims line details. This will enable us to mitigate costs on your behalf and assist with processing the claim.
5. You also have the benefit of Legal Expenses insurance and expert legal advice and assistance will be made available to you once you have reported the accident. In non fault cases, where there is an identifiable third party, we will also provide a replacement vehicle similar to your own.
